A Signature Portfolio villa

Blessed with the most sought-after location on the island, minutes away from Psarou Beach and Mykonos Town, luxury Mykonos villa Carmina is an architectural gem, offering a nearly bird's-eye view over the sea all the way to the islands of Paros and Naxos. Enjoy your vacation relaxing on its totally wind-sheltered terrace with friends and family or exploring this cosmopolitan part of the island; Carmina's convenient location grants easy access to whatever the day calls for, from bar crawls and shopping therapy to lazy moments under the sun at the beach.

Outdoor Ambience

Stepping out on Carmina's impressive multi-level terrace will have you wondering what the best place is to bask in the views. You'll have to choose for yourself between the turquoise infinity pool, the heated jacuzzi or the big alfresco dining table under the shade of a wooden pergola. Your phone will be filled with photos in blue, that's for sure; press the escape button and let the Aegean breeze travel your senses. As the golden hour approaches, sink in the heated jacuzzi with a glass of champagne and enjoy one of the most breathtaking sunsets you will have ever experienced.

Interior Design

Carmina's modern interiors have nothing to envy the pages of an interior design magazine. Five double bedrooms in the main villa - one master - with en-suite bathrooms and three independent guest suites spread throughout the upper and the lower level, ready to accommodate up to 15 guests. The panoramic views fill every window with a kaleidoscope of blues, flooding the living and dining areas with natural light, creating a cozy and welcoming home. Wooden ceilings, marbled floors, contemporary artwork and white furnishing add the final brushstroke and make this white-and-stone beauty an archetype of understated luxury.

Mykonos Essentials

From Carmina you are only minutes away from some renowned beaches of the island and the picturesque streets of Mykonos Town. A real must-do, if you want to experience the Mykonos vibes, is to pay a visit to the 5-star Santa Marina Hotel in Ornos and the famous bar-restaurant Scorpios on Paraga beach, where you will rub shoulders with celebrities and try fancy cocktails. And don't worry; you won't have to wait in line for a table. Our award-winning concierge is standby 24/7 to book anything for you! She has connections everywhere and will be happy to help you.

Good to know

We like to brag about Villa Carmina being part of our Signature Portfolio, a unique and exclusive collection of BlueVillas luxury properties carefully chosen to offer the highest standards of design and comfort available on the island, with superior amenities and facilities, similar to those of a 5-star hotel. We take extra pride, as Carmina is also one of our Emfasis Donation Villas. When you rent this property, 1% of its cost is donated to Emfasis - a non-profit organization working to help the homeless in Greece.
