

The image shows a modern, open-plan living area with a high ceiling featuring dark wood beams. A large, light-colored sofa is positioned in the foreground, facing a glass coffee table. In the background, a large window and a glass door provide a view of a swimming pool and the ocean. The pool is surrounded by palm trees and a wooden deck. The sky is blue with some clouds. The overall atmosphere is bright and airy, with a focus on natural light and outdoor views.

Villa Acamar

📍 Toiny, St. Barts, Caribbean

Description

Bedrooms: 3 (3 King)

Bathrooms: 3.5

Max Occupancy: 6

Fun, fun, fun. That's what awaits at Villa Acamar thanks to backgammon and pool tables as well as, thrillingly, your very own home cinema with theatre-style seating for everyone. Amid a large, open-plan living area, the blend of whitewash, stone, polished blonde wood and vibrant, colourful fabrics creates an eclectic, warm atmosphere. Distinct mealtime options are provided by a breakfast bar - beside the modern, state-of-the-art kitchen - and elegant dining table.

Breathtaking views are an ever-present and even more so out on the large deck, whose heated infinity pool and Jacuzzi both hover over the ocean. It feels as though one could almost dive straight into aquamarine seas from each. Being located on Toiny's south-facing hillside guarantees Acamar plenty of sun before myriad stars take hold after dark. A steep walk leads to Toiny's beach, predominantly used by surfers, and it's only a short drive to the more bather-friendly, Instagrammable sandy shores of Grand Cul-de-Sac's lagoon.

The villa suits adult groups especially well thanks to its three bedrooms being roughly equal in terms of size and amenity. No squabbling or straw-drawing here! Though the master comes with a dressing room and direct pool access, a second chamber has ultra-romantic vistas of Toiny Bay and the extra-spacious third, on a lower level, offers additional privacy together with its own sea-facing terrace. Each comes with an ensuite bathtub.
